

Suggested Summer Reading

Help your rising 3rd grader stay engaged with learning! Studies show that students experience a loss of reading skills over the summer months. Below is a suggested reading list developed by reader's advisory experts at the Charlotte Mecklenburg Library to keep your child reading for the fun of it all summer long. Your child can also read their way to fun and prizes by joining your public library's summer reading program. Find out more by visiting your library or going online: www.cmlibrary.org/summerread
